What is the name of your project?

Name of your project Mentor/Advisor:

1. What are you creating? Describe specific features of your project. Why this?

2. In planning and developing your project, what are some factors that you need to consider?

3. When and where will you work on your project?

4. What arrangements will you make with your mentor/advisor to provide you with critical feedback on standards and work quality as you work through your project? How will you know if your project is scholarship quality? Please note that you are required to have your mentor/advisor sign off on your scholarship project prior to presentation. A form will be provided closer to the presentation date.

5. 100-hours, with a minimum of 60% of the time invested is to be done outside of class time. Indicate how you will document the number of hours you have invested in your project.

6. Each year a number of district scholarship students begin their projects but never complete. What steps will you take to ensure that your scholarship project is completed and presented for adjudication?
